In addition, Dr Ramos had co-directed nine Doctoral Dissertations and several Master Thesis. He is co-editor of three Spanish handbooks of Work and Organizational Psychology for students of psychology. He had participated as lecturer in several masters about work risk prevention and Human Resources Management, and he served as reviewer in scientific journals as "European Journal of Work and Organizational Psychology", "Social Science Information", International Review of Social

Psychology”, “Psicología del Trabajo y las Organizaciones”, “Revista de Psicología Social Aplicada” or “Universitas Tarraconensis”. Recently, he has been incorporated as reviewer of the Spanish National Agency of Assessment and Prospective (ANEP). He developed training and consultancy activities in different public and private institutions in Spain.

He is member of C.O.P. (the Spanish Psychological Association) from 1988, and EAWOP (European Association of Work and Organisational Psychology) from 1993. Dr Ramos is the General Secretary of the Spanish National Award Committee for the Europsy Certificate, from its origins.

He has developed several organizational consultancy interventions on topics as the assessment of the National Training System and evaluation of training needs for different population groups, Strategic Plans of public and private organizations, climate analysis, and analysis of productivity in public administrations.
